NATINA CONCENTRATE 500

SECTION 1 Chemical Product and Company Information

Product and Trade Name: Natina Concentrate 500
Formulator: Natina Products, LLC
1577 First Street
Coachella, CA 92236

Emergency Telephone: CHEMTREC: 1-800-424-9300 (24 Hours)

SECTION 2 Composition/Information on Ingredients

Chemical Name: Liquid Aesthetic Restorative Agent: Re-creates weather-aged color and patina on Natural & Artificial Rock.
Chemical Family: Blend of Organic Extracts and Sequestered Inorganic Salts.
Chemical Composition: Soluble plant-derived organic matter and liquid sequestered iron, manganese, zinc, and copper sources.
Inert Ingredients: Water

Note: This product adds to, substitutes for, and/or replaces natural and artificial rock color constituents.

SECTION 3 Hazardous Identification

Natina Concentrate 500 is a non-hazardous product. Product users should avoid excessive skin contact. Product users should use eye protection when conditions of use require it. This product should be stored in a secure place out of the reach of children.

SECTION 4 First Aid Measures

Ingestion: Harmful if swallowed. Obtain medical attention.
Inhalation: Remove the affected individual or individuals to fresh air.
Eyes: Promptly flush eyes with clean, cool water for at least 15 minutes. Obtain medical attention.
Skin: Wash from skin with soap and water.

SECTION 5 Fire Fighting Measures

Flash Point: Not Flammable
Flammable Limits: Not Applicable
Fire Extinguisher Media: Not Applicable (Product not considered flammable)
Special Firefighting Procedures: None (Product not considered flammable)
Explosion Hazard: None

SECTION 6 Special Use and Protection Information

Avoid breathing product mists during application. Avoid prolonged skin contact. Avoid eye contact with this product. Use a NIOSH particulate respirator if respirable mist generation occurs or is anticipated during product application. Use protective equipment (protective coveralls, nose masks, gloves, goggles, hats, etc.) as required or indicated by conditions of product use.

SECTION 7 Cautionary Statements for Persons Handling this Product**CAUTION:**

- May be harmful if swallowed in quantity. Do not ingest.
- Product may irritate the eyes. Use goggles.
- Mists may irritate the respiratory system. Nose masks are recommended.
- Prolonged product contact may irritate the skin. Wash exposed skin area thoroughly after handling or applying.
- Avoid product contact with strong oxidizers and/or strong acids.
- Keep this product out of reach of children

Work/Hygiene Practices: Do not eat, drink, or smoke when handling this product. After handling, always wash hands before eating, smoking, drinking, using the toilet, or applying cosmetics or topical medications.

SECTION 8 Physical and Chemical Properties

| | | | |
|--------------------------|---|-----------------------|-----------------------|
| Boiling Point: | Approximately 250° F @ 1 atmosphere | Miscibility in water: | Completely miscible |
| Specific Gravity: | 1.1 to 1.2 | Reaction with water: | No reaction compounds |
| Flashpoint: | Not Applicable | | |
| % Volatile by Volume: | Negligible | | |
| Salting Out Temperature: | <32°F | | |
| Appearance/Odor: | Light – medium brown, with slight fertilizer-like odor. | | |

SECTION 9 Material Storage Information

Store this product in a cool place, away from sources of high heat

SECTION 10 Spill, Leak and Disposal Procedures:

Notify management of any spills or leaks.
Spills and leaks should be absorbed, swept up, and disposed of according to non-hazardous chemical use.

SECTION 11 Reactivity Information

| | | | |
|-----------------------------------|----------------|----------------------|----------------|
| Stability: | Stable | Conditions to Avoid: | Excessive heat |
| Hazardous Decomposition Products: | Carbon Dioxide | | |
| Hazardous Polymerization: | Will not occur | | |

SECTION 12 Transportation Information

Non -hazardous substance. Natina Concentrate 500 is not hazardous under UN or I.A.T.A. regulations.

SECTION 13 Regulatory Information

| | | | |
|---------------------------------|---------------------|--------------------|-----------------------|
| SARA TITLE III HAZARD CATEGORY: | IMMEDIATE: <u>Y</u> | FIRE: <u>N</u> | SUDDEN RELEASE |
| | DELAYED: <u>N</u> | REACTIVE: <u>N</u> | OF PRESSURE: <u>N</u> |

SUBSTANCES REGULATED UNDER SARA, TITLE III, SEC. 313: None Listed

DATE OF ISSUE: 7/14/07
